

# I Am Hooked On You II

*I-I-I am hooked on you, yeah, I-I-I am hooked on you  
But yo-o-o-u stole my heart and to-o-o-re my world apart  
Now wha-a-a-t am I to do, cuz l-I-I am hooked on you*

Torn apart, no end in sight  
All alone, on a desperate plight  
Uncertainty over you, has got me down  
And now you're not, comin' round

Thoughts of you, grow stronger by the day  
But now I feel you, slipping away  
The only thing that could save this love  
Is divine intervention from high above

*Cuz I-I-I am hooked on you, yeah, I-I-I am hooked on you  
But yo-o-o-u stole my heart and to-o-o-re my world apart  
Now wha-a-a-t am I to do, cuz l-I-I am hooked on you*

Your actions speak volumes, and words you need not say  
Cuz the love we had has now gone astray

*But I-I-I am hooked on you, yeah, I-I-I am hooked on you  
But yo-o-o-u stole my heart and to-o-o-re my world apart  
Now wha-a-a-t am I to do, cuz l-I-I am hooked on you*
