

Stand

Experts and analysts
On the evening news
Debating US military policy
Trying to guess the next move

As the coalition troops
Move into position
They're portrayed as pawns
In the government's hi-tech war edition

*Let's get real, my good friend
Uncle Sam is at it once again
And if we as a citizenry just stand by
We are nothing more than cohorts in another interventionist lie*

And yet, we read it in the newspapers
And hear it on TV
Headlines and sound bites
For all of us to see

"No blood for oil" chants
At anti-war rallies
Reflect a majority opinion
But what weight does it carry

*Let's get real, my good friend
Uncle Sam is at it once again
And if we as a citizenry just stand by
We are nothing more than cohorts in another interventionist lie*
