

A Second Chance

What would you say
What would you do
If I humbly asked
For a second chance from you?

Would it put you at ease
If you knew my sole intention
Was wanting a second chance
To make a new first impression

*Second chances in life are seldom and few
So with only the best of intentions, I kindly ask this of you*

Oh what can I say
What can I do
To get the attention
Of an angel like you?

*Second chances in life are seldom and few
So with only the best of intentions, I kindly ask this of you*

Oh, what would you say
What would you do
If I humbly asked
For a second chance from you?

*Second chances in life are seldom and few
So holding out hope is all I can do
Yeah, hope to one day be with you
Yeah, one day be with you, be with you, be with you*
