

Oh Lord, Help Me

Oh lord, help me, help me find my way

Oh lord, help me, each and every day

When times get tough, as they often do

You're the one that I look to

Oh lord, help me, help me find my way

Oh lord, help me, help me sing my song

Oh lord, right me, right me when I'm wrong

In the darkness you're my sight

You provide my guiding light

Oh lord, help me, help me find my way

Oh lord, help me, help me every day

Oh lord, help me, help me find my way

Without you I am all alone

You're my strength to carry on

Oh lord, help me, help me find my way
