

Wild and Free

Crossed paths with a spirit
Wild and free
With an empathetic edge
Unfamiliar to me

Her passions, she wears
For all to see
Not for style, or anyone
C'est sa vie

*She opened my mind
And now I can see
What it truly means
To be wild and free*

She travels thru life
With charm and wit
But only a fool would
Underestimate her grit

*Yes, she opened my mind
And now I can see
What it truly means
To be wild and free*

Her passions, she wears
For all to see
Vive l'esprit
C'est sa vie...
