

The One

Wanting just to call you
In the middle of the night
To say hello my darling
Are you feeling alright?
Thought you'd like to know
You are the one on my mind
And the one I'm thinking of
All the time

*You are the one
Oh, oh, oh, you are the one
Girl you are the one for me
The one whom with I long to be
...e, e, e, e, e
You are the one*

Day turns into night
And then night again to day
You're the one I'm thinking of
So far away
Wishing I could reach you
On this long distance line
Cuz another night without you
And I'll go out of my mind

*You are the one
Oh, oh, oh, you are the one
Girl you are the one for me
The one whom with I long to be
...e, e, e, e, e
You are the one*

Girl you are the one
The one and only for me
And girl now that I found you
I can finally see
The one thing that I've searched for
High and low
Was right before my eyes
Oh girl, I want you to know

*You are the one
Oh, oh, oh, you are the one
Girl you are the one for me
The one whom with I long to be
...e, e, e, e, e
You are the one*
