

The Chosen Few

When a life-changing event
rocks your world to the core.

Who will help you up
as you pick yourself off the floor?

Consider yourself truly blessed
if your earthly sphere includes.

A special band of brothers
I refer to as - The Chosen Few.

No obstacle is too great
for this brotherhood to overcome.

And no quarter will they cede
until the final battle is won.

Of whom do I speak,
who are these chosen few?
They are a special band of brothers
and one of them is you.

So in these words I Thank You
more than you will ever know.
And if the need shall one day arise
I too will stand with you.
