

You are Me & I am You

The attraction was instant
Nothing we could do
Because you are me
And I am you

The chase is finally over
Today we are starting anew
Because you are me
And I am you

*What I thought I wanted, I could not find
Past relationships and fears just twisted my mind
And then you appeared, and I immediately knew
These feelings were real
Yes, these feelings were true*

Now my once grey skies
Are cloud-less and blue
Because you are me
And I am you

*What I thought I wanted, I could not find
Past relationships and fears just twisted my mind
And then you appeared, and I immediately knew
These feelings were real
Yes, these feelings were true*

The chase is finally over
Today we're starting anew
Because you are me and I am you
Yeah, you are me and I am you
You are me and I am you
