

# **Time...**

**How** would your life change  
if you had but one year?

**How** would the news impact  
your hopes, dreams, and fears?

**Would** you invest more time  
in your current profession?

**Or** feel the need for greater  
purpose and expression?

**Would** you settle on a relationship  
long since grown stale?

**Or** seek a special bond  
you know will prevail?

**Would** you surround yourself  
with loyal friends from the past?

**Or** spend time with new acquaintances  
unlikely to last?

**Time** waits for no one  
and only you hold the key

**To** unlock the door  
and set yourself free.

**So** live each day  
like you are starting anew.

**And** savor every moment  
as if you had but a few.
