

There 4 U

If it's strength, I can lift
Perseverance, I won't quit
No matter what, why or when
I will help repair, fix or mend

If it's time, I can make
The truth, I won't fake
No matter what, why or when
I will help repair, fix or mend

Cuz, life can be tough
That is surely true
And when a shoulder is needed
I'll be there 4 U

Bridge

Life can build you up
And life can tear you down
But who will lend a hand
To help you up off the ground
No matter what, why or when
I will help repair, fix or mend

Instrumental

If it's support, I am here
The future, I'll help steer
No matter what, why or when
I will help repair, fix or mend

Cuz, life can be tough
That is surely true
And when a shoulder is needed
I'll be there 4 U
